**NOTE TO PARENTS:**

West Texas Band Camp has been held annually for 60 years on the campus of West Texas A&M University in Canyon, located in the Texas Panhandle just south of Amarillo. In recent years, approximately 900 students have attended the two-week session. The campers make up eight full bands, three for junior high and five for high school. The camp faculty consists of members of the excellent WTAMU music faculty along with leading high school and junior high band directors from Texas, New Mexico and Oklahoma. Faculty and staff members number more than 100. A camper's daily class schedule includes full band rehearsals, sectionals, individual instrument classes, and a required afternoon class and assembly, as well as optional electives at 7:45 a.m. and 4:30 p.m. In addition, many activities are offered in the evening: intramural sports, dances, concerts, etc. Campers are housed in dorms on the campus (non-air-conditioned); WT students serve as resident assistants. Each dorm also has a live-in adult dorm supervisor. Roommate assignments are made based on requests received on the front of this application. In the event that no specific roommate is requested, one is assigned by our staff and, whenever possible, campers are kept together with other students from their hometowns. If you wish to 'meet new people' and not have a familiar roommate, please indicate that on the front of this form. If there is someone you don't want to room with, indicate that also. *Upon receipt of your application and deposit, an information packet, including what to bring and specific activities that are planned, will be sent to you.* We look forward to serving you at our 2012 camp. Please feel free to call us to answer any additional questions. The band camp secretary's phone number is 806-651-2828. After June 11, call 806-651-2841.
