

LEE HONOR BAND

Spring Band Schedule 2019

All the dates listed on this calendar are required events for the members of the Lee Honor Band (unless otherwise marked). All students will receive a grade for all rehearsals and performances listed on this calendar. Attendance on the performance and rehearsal dates listed below will also be factored into next year's and future year's marching spots. Please schedule general doctor appointments, work schedules, driver's education, other activities, and other non-emergency appointments around this schedule for they will not be excused. If you have to miss a rehearsal/performance for any reason, it is your responsibility to contact the directors prior to the scheduled event.
